RE: <u>PACT CONFERENCE AND MANDELA WEEK EXHIBITIONS INVITATION</u>

Pan African Conference on Science, Computing and Telecommunications (PACT) is an annual conference with rotational hosting around the African sub-region. For the year 2014, the Nelson Mandela African Institution of Science and Technology (NM-AIST) based in Arusha in collaboration with La Trobe University Australia will host a conference between 14th and 18th July, 2014 at NM-AIST, Arusha, Tanzania.

The key themes of the conference include: Devices and Mobile Phone Applications and Software; ICT, e-Learning and e-Education; ICT for Development; Smart Grid and Energy; Nano Technology, Materials and Structures; Telecommunications; Applied Mathematics; Computer Networks; Scientific Computing and Computational Engineering; Computational Intelligence and Forensics; Environmental and Sustainability; and Intellectual Property.

The conference will run in parallel with the Nelson Mandela's week, which celebrates the inception and establishment of NM-AIST. You are kindly invited to exhibit your products or technology related solutions during the five days of the conference. We strongly believe that you will accept this rare opportunity to market your presence in the country and the continent at large. The prices for exhibition booths will be Tshs. 200,000/ for 3m x 3m, Tshs. 500,000/= for 5m x 5m, and Tshs. 800,000/= for 8m x 8m.

Please confirm your participation before the mid of June, 2014 to enable planning and other necessary arrangements.

You are most welcome!
