Tanzania Network Operators Group

tzNOG3 event in Zanzibar

tzNOG is a multi-stakeholder project that aims at providing affordable capacity building platform to IT Professionals in Tanzania for better management of Internet Infrastructure and Resources. Its organizing committee comprises of members from Tanzania Network Information Centre (tzNIC), Tanzania Communications Regulatory Authority (TCRA), Tanzania Internet Service Providers Association (TISPA) and TERNET (Tanzania Educational and Research Network).

The tzNOG organizing committee therefore invites applications to the 3rd tzNOG event planned to take place in Zanzibar from **30th August to 4th September 2015** at the **Ocean View hotel (City Centre)**.

This year's training will have the following parallel tracks:
   a) Systems and Network Security (SNS)
   b) Network management and monitoring (NMM)
   c) Routing and Switching (R&S)
   All tracks will also cover IPv6 basics and configuration concepts.

Application requirements:
The training session is open to all technical staff managing internet resources/infrastructure within their Institutions such as mail servers, web servers, etc. The main requirements are:

- Some Linux/UNIX experience

- Knowledge of TCP/IP protocols and layer 2 & 3 network basics.

Registration and Fee:

Registered and successful candidates will have to pay a fee of **TZS 300,000.00** before 31st July 2015 or **TZS 350,000** thereafter.

Women are encouraged to apply
